HOW TO GET INVOLVED IN YOUR STATE’S ECONOMICS CHALLENGE

For everything you need to know about the National Economics Challenge™, including a listing of State Coordinators, a Teacher Guide, videos to show your classroom, links to sample tests, and much more, visit www.NationalEconomicsChallenge.org

STEP 1. Contact your State Coordinator for competition dates, and how to register in your state.

STEP 2. Review the National Rules and Eligibility.

STEP 3. Place teams of 3–4 students in one of two divisions:

The David Ricardo division includes teams of students enrolled in one semester (or less) general economics courses or courses which include introductory economic concepts (social studies, business, personal finance, etc.). The course must be taught by a secondary teacher. Students who have never taken an economics course are eligible to compete.

The Adam Smith division includes teams of students, currently or previously, enrolled in Advanced Placement (AP Micro, AP Macro, or AP Micro and Macro), International Baccalaureate (pre-IB and IB), honors, two-semester, or any other advanced courses in economics (including courses taught by a secondary teacher where students earn college credit). The course must be taught by a secondary teacher.
